

# Exilis LED

Norlux -the nordic lighting supplier

Exilis, our LED tube luminaire with a built in LED driver makes installation a breeze. The Exilis comes in a variety of lengths that can be easily be connected together without the use of tools, just by clicking the LED tubes together. The different lengths makes it very easy to make a continuous line of light regardless of the length of the surface. The Exilis comes with a opal diffuser. Please see table below for further details.
