

Torres Mini Fixed

Norlux -the nordic lighting supplier

Torres Mini Fixed is the perfect downlight for use when you need a lot of light, but have only a limited space regarding building height. The luminaire has a recessed LED light source, this secures a minimum of stray light. Torres Mini Fixed has an EPCOM18i3 connector and can be supplied with a variety of connector solutions. The luminaire is available in three different colors. Please see technical table below for details.
