

# High Bay

Norlux -the nordic lighting supplier

This model is the most popular one in the High Bay range. The High Bay 50W is equipped with a reflector with a beam angle of only 30 degrees something that makes this model especially suitable when there is a demand for high lighting special areas in the premises. The High Bay is delivered ready for installation with a 5 meter wire. This fixture comes with EPCOM18i3 chassis-connector and can be supplied with a variety of connector solutions. See table below.

LED Pendants  
COB LED
